About This Game

Happy World is a game where square characters meet and compete and escape together.

You can play the game with just one "Ball."

It's a game that doesn't have to be serious, controls are simple, and focus isn't necessary.

You just need to be ready to enjoy.

A game that everyone can play.

From single play, it is a multiplayer game.

Game day with developer:

Good to see you.

We're the developers of Happy World.

Our game is not complete yet.

But thank you for buying our game.

I want your opinion to make us a better game.

Also, I want to improve by playing games together.

I'd like you to leave your opinion on the game in the steam store.

So I'm trying to set a game time for us to play together for a certain period of time.

We will be online for **2 hours from 6pm on May 31, 2019.**

Based on European time.

If you connect at this time, you will be able to play games with us.

Steam

I will wait
